

## Pre-Apprenticeship Programme

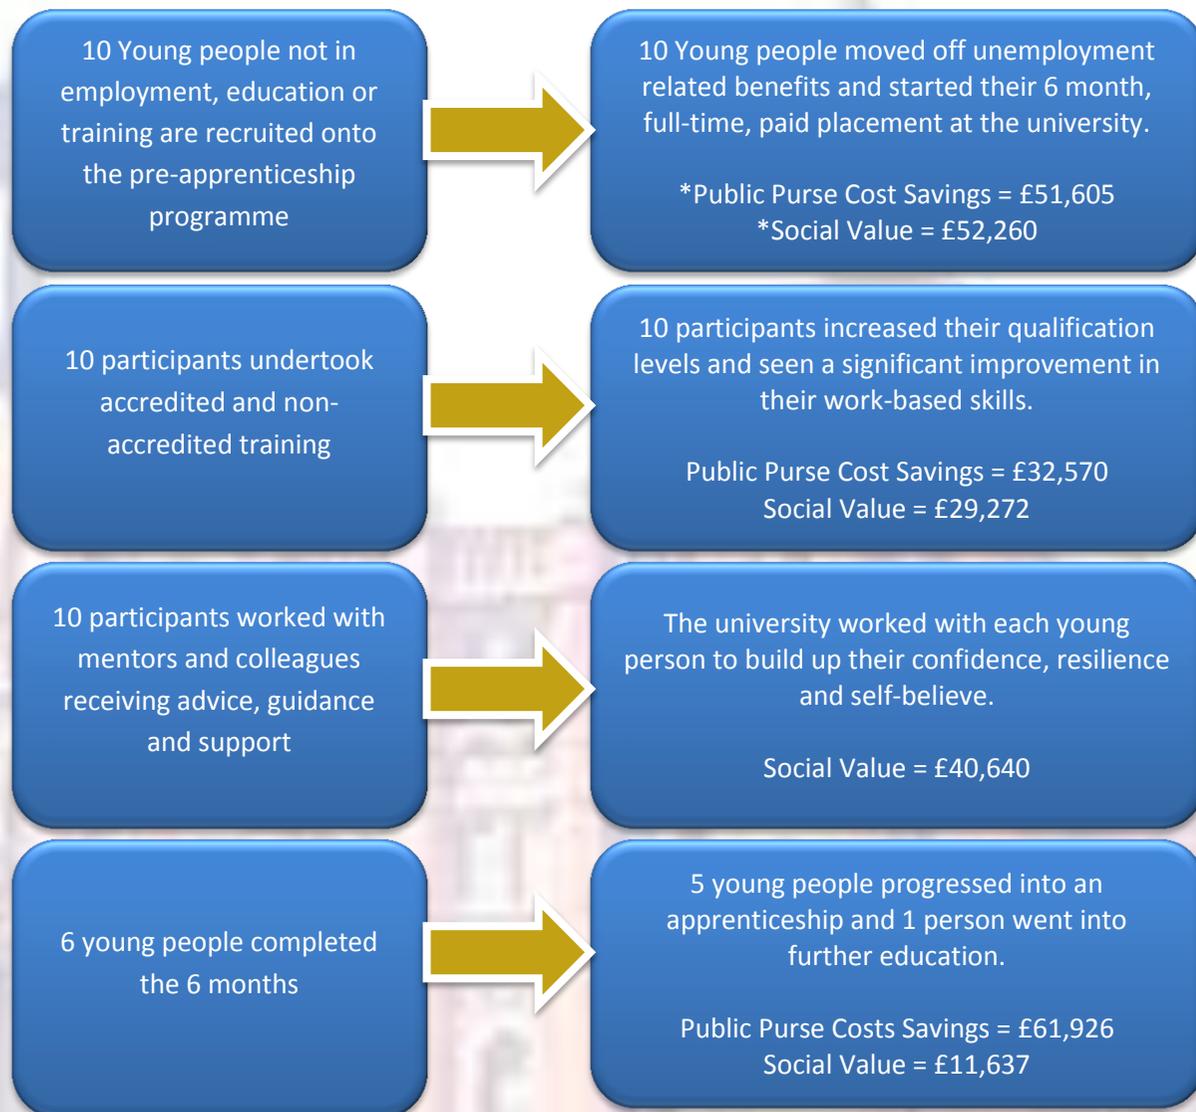

The University of Liverpool pre-apprenticeship programme gives young people the opportunity to enhance their skills and abilities within a working environment, whilst allowing them to gain the qualifications needed to access employment opportunities either within or outside of the university.

The young people who successfully complete all elements of the pre-apprenticeship programme are guaranteed an interview for one of the universities full time apprenticeship vacancies.

Each pre-apprenticeship cohort of 10 young people lasts a total of 6 months and consists of:

- ✓ NMW paid placement at the University of Liverpool
- ✓ C&G Level 1 or 2 in English and Maths Functional Skills
- ✓ NCFE Level 1 Certificate in Employability Skills
- ✓ Personal Mentor providing one-to-one advice, guidance and support
- ✓ Guaranteed interview for an apprenticeship at the university

**For every £100 invested into the programme, a Social Return of £354 was generated**

**£133,809**  
Total Social Value

**£113,531**  
Total Cost Savings

*"This is an amazing opportunity and it's great to be part of the department. I love my job and the team of people I work with. I feel this opportunity has opened doors for me now that I have the right skills and experience to adapt to different situations I may face."*

**Craig, Pre-Apprentice**
